

PA Business Week Returns To PENNCREST SCHOOL DISTRICT January 11 – 15, 2027 @ Maplewood High School!

Students and educators will learn about America's economic system and how they play a part in it. They will gain an understanding of how a business operates; gain appreciation for school subjects and how they relate to the real world; develop leadership, teamwork, time management, problem solving and people skills; and are exposed to a variety of career fields. The participation of volunteer business executives brings actual experience and examples of successful organizations **right here in Crawford County!**

What makes **Pennsylvania Business Week** unique is the partnering of business mentors and teachers to assist students in running their companies **right in the classroom**. Financial sponsorship and volunteer participation is needed to successfully bring this program back to Penncrest School District.

WANT TO GET INVOLVED?

BUSINESS ADVISORS

These volunteers serve as mentor, coach and friend, guiding students through the week-long program. They assist students in making business decisions based on math, experience, and logic.

JUDGES

These volunteers are experienced in accounting, advertising, banking, and related fields to set the standards in the student competitions.

SPEAKERS

These volunteers are knowledgeable in business, ethics, advertising, banking, investments, and manufacturing and can offer their expertise to students and educators.

PRIZES AND SUPPLIES

These donations are used as student prizes and program supplies that are vitally important and gratefully accepted.

FINANCIAL SPONSORS

These generous donors cover the costs associated with the program.
